Bible Story

The Dancing King

2 Samuel 6:12-15

The Ark of the Covenant held God's presence. King David wanted to bring the Ark of the Covenant to Jerusalem. There was a big parade. King David was so excited, because God's presence would be with them, that he danced and danced. Some people thought because he was the king he shouldn't dance like that, but David was not ashamed to dance for the Lord.

PARENTING PRESCHOOLERS

WHAT DOES WORSHIP LOOK LIKE AT HOME

God created us for relationship, one aspect of that relationship is showing how much we love God through worship.

It is one of the most rewarding experiences to see children develop a passion and love for worshipping God.

If we take a moment to think about it, worship is the focal point of church services across the world; however, sometimes I feel the worship experience is not emphasized in children's ministry or with our own children. I believe that it should be just as important.

In the church, I believe it is important to use relevant worship resources that minister to kids, such as Yancy Not Nancy, JumpStart3 and Uncle Charlie. At home, I believe it is turning off the news or sports radio when we are in the car with the kids and listening to worship.

God desires for you and I to spend time with Him. Take a few moments today and spend it with Him!

WHAT WE CAN DO AT HOME

Spending Time With Jesus @ Home

(any time this week)

What You Do:

- Develop a worship time at home with your family.
- Use resources such as: Yancy Not Nancy, JumpStart3, Uncle Charlie or tune in to your local Christian radio station.
- Start with one song to sing together and then build from that. It doesn't have to be long. It is your family's special time.
- If you are real creative you can make musical instruments.

What's The Point:

- Worship is simply loving God.
- We love God by just talking to Him and telling Him.
- We love God by worshipping Him.
